

07.Rock_paper-scissors

```
on start
  set x to 0

function image
  show leds
  play tone Middle C for 1 beat
  show leds
  play tone Middle C for 1 beat
  show leds
  play tone Middle C for 1 beat
  clear screen

forever
  if is the left IR over 900 strength or is the right IR over 900 strength then
    call image
    set x to 1 + pick random 0 to 2
    Tobbie-II turns right
    pause (ms) 2500
    Tobbie-II stops rotating.
    if x = 1 then
      show leds
    if x = 2 then
      show leds
```
